1 Internet access required. Your bank may charge a fee to download statements.
2 Subject to approval and to Sage Payment Solutions terms and conditions. Additional fees, Internet access, and credit card required.
3 QuickBooks version 2008-2015; full versions of Quicken 2010-2015. Excludes conversion of QuickBooks individual payroll transactions.
4 Requires Microsoft Outlook 2007, 2010, or 2013. Outlook Express 5 or 6; other MAPI-compliant email programs.
5 Requires Microsoft Excel or Word 2007, 2010, or 2013.
6 Sage is not liable or responsible for any fines or penalties that may result from errors in your company accounting records. The Internal Accounting Review is not intended to uncover all questionable transactions.
7 Features and fees vary by solution. A Sage Business Care annual plan or subscription with payroll and use of the current version of Sage 50 is required.
8 When opening more than one company, you will be able to perform all functions except those that require exclusive company access or third-party integrations in companies opened after the first one.
9 Database and performance results may vary based on configuration, actual number of transactions, size, number of concurrent users and content of data file, system, and network traffic.
10 Multiuser licenses available in packs of 1–10, 15, 20, 30, or 40. A maximum of 40 licensed, named users is allowed. Only the first 40 named users selected in the user maintenance screen are considered licensed, named users.
